ADDITIONAL SECRETARY GOVERNMENT OF MYSORE No Date 1945

Sir,

Re formation of an approach road from Sri Gangadhareshwaraswami temple in Turuvekere Town to connect Yediyur — Tiptur Road

In forwarding herewith in original, the connected records received from the President, Turuvekere Minor Municipality on the above subject, I have the honor to state as follows -

An estimate for Rs 2,000/- was prepared in the first instance and sanction of Government obtained thereto in their Order No L 1537-9/M1 102-42-14 dated 2-8-1942 As an additional expenditure of Rs 250/- had to be met, a revised estimate for Rs 2250/- was prepared and sanction was obtained in G O No L 2921-3/M1 40-43-8 dated 6-9-1943

The Executive Engineer, Tumkur Division, has stated stated in his letter No 705 dated 5-5-45 that an outlay of Rs 2507-3-0 has been booked, resulting in an excess of Rs 257-3-0 over the sanctioned estimate of Rs 2250 and funds made available, therefor which is due to debit of 'Establishment and tools and plant charges' on the work outlay, as advised by the Comptroller since no provision was made in the sanctioned estimate

Further, some of the items of works were considered necessary such as construction of culverts and rough stone drains etc , not provided for in the original estimate were included in a separate supplemental estimate for Rs 1060/- and sent to the President for obtaining sanction and allotment of funds to start the work

Thus the total cost of the work including the amount of supplemental estimate amounts to Rs 3,567/ - (Rs 2507-3-0 + 1060/-) A sum of Rs 2250/- has been spent (i e Government grant Rs 1,000/- and Municipal quota Rs 1250/-), the balance amount no required to be adjusted being Rs 1317/-

As

As the funds of the Municipality are too meagre to meet the entire amount, the Council have resolved to meet half the cost of this supplemental estimate viz Rs 658-8-0 out of their funds and the balance of the estimate has to be met from Government as Government grant during the current year

I request that sanction of Government may be kindly obtained in the matter as pressing reminders are being received from the Public Works Department for early adjustment , since the contractor is pressing for payment

I have the honor to be,
sir,
Your most obedient servant,
